## Gurukrupa Group

Gurukrupa Group is engineering equipment supplier and turnkey engineering solution provider from Mumbai, India. The organisation is specialised in supply of equipment for Electrical Distribution systems and Air Conditioning & Refrigeration system.

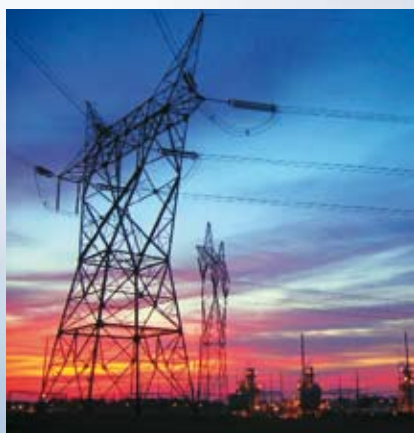

Since its establishment in 2005, the organisation has successfully completed many projects of Electrical Distribution systems and Air Conditioning & Refrigeration systems for its worldwide customers.

### Objective

The objective is to satisfy customers' requirements timely with quality products alongwith competitive price advantage through its in-depth knowledge and professionalism.

### Products & Services

The organisation caters to various industries like Power, Oil & Gas, Cement, Aluminium & Steel, Sugar, Water Treatment, Chemical, Food Processing etc. The products supplied are of reputed brands and adhere to IEC, IS, UL, NEMA, ASTM, BS, DIM, VDE, ANSI, etc., and international norms to ensure quality and reliability. The international testing procedures are followed and equipment are type tested by accredited laboratories.

### Electrical Products

- ▶ **Power Transformers upto 100 MVA, 220 KV Class ONAN / ONAF**
- ▶ **Distribution Transformers upto 5 MVA, upto 33kV Class ONAN**
- ▶ **Instrument Transformer- CT, CVT/ PT upto 220KV**
- ▶ **HT Switchgear upto 33kV Indoor and upto 220 KV Outdoor (VCB & SF6 breaker)**
- ▶ **LT Switchgear upto 6300A, 100KA & 630V**
- ▶ **LV & MV Panels**
- ▶ **AC/DC Motors & Drives**
- ▶ **Cables & Conductors upto 220KV** - Power, Control, Instrumentation & Communication Cables
- ▶ **Transmission Line Towers** - GI Lattice tower, Poles, Structures
- ▶ **Transmission Line Insulators** - Ceramic - Pin, Disc, Post insulators; Polymer/ Silicon type Insulators
- ▶ **Light & Light Fittings** - Industrial/ Commercial Decorative
- ▶ **Wind Power Systems with Turbines, Generators, Batteries, Inverters etc.**

### Mechanical Products

- ▶ **Air Compressors**
  - Reciprocating Air Compressors,
  - Screw Air Compressors,
  - Centrifugal Air Compressors
- ▶ **Air Conditioning & Refrigeration**
- ▶ **Cooling Tower**
- ▶ **Gas Compression Solution**

### Turnkey Solutions

Complete turnkey engineering solutions offered for electrical distribution and refrigeration system includes designing, procurement, inspection, delivery and commissioning and also after sales support to overseas clients. Our diligent team of efficient and skilled professionals ensures supply of quality products and timely completion of projects as per required industry standards.

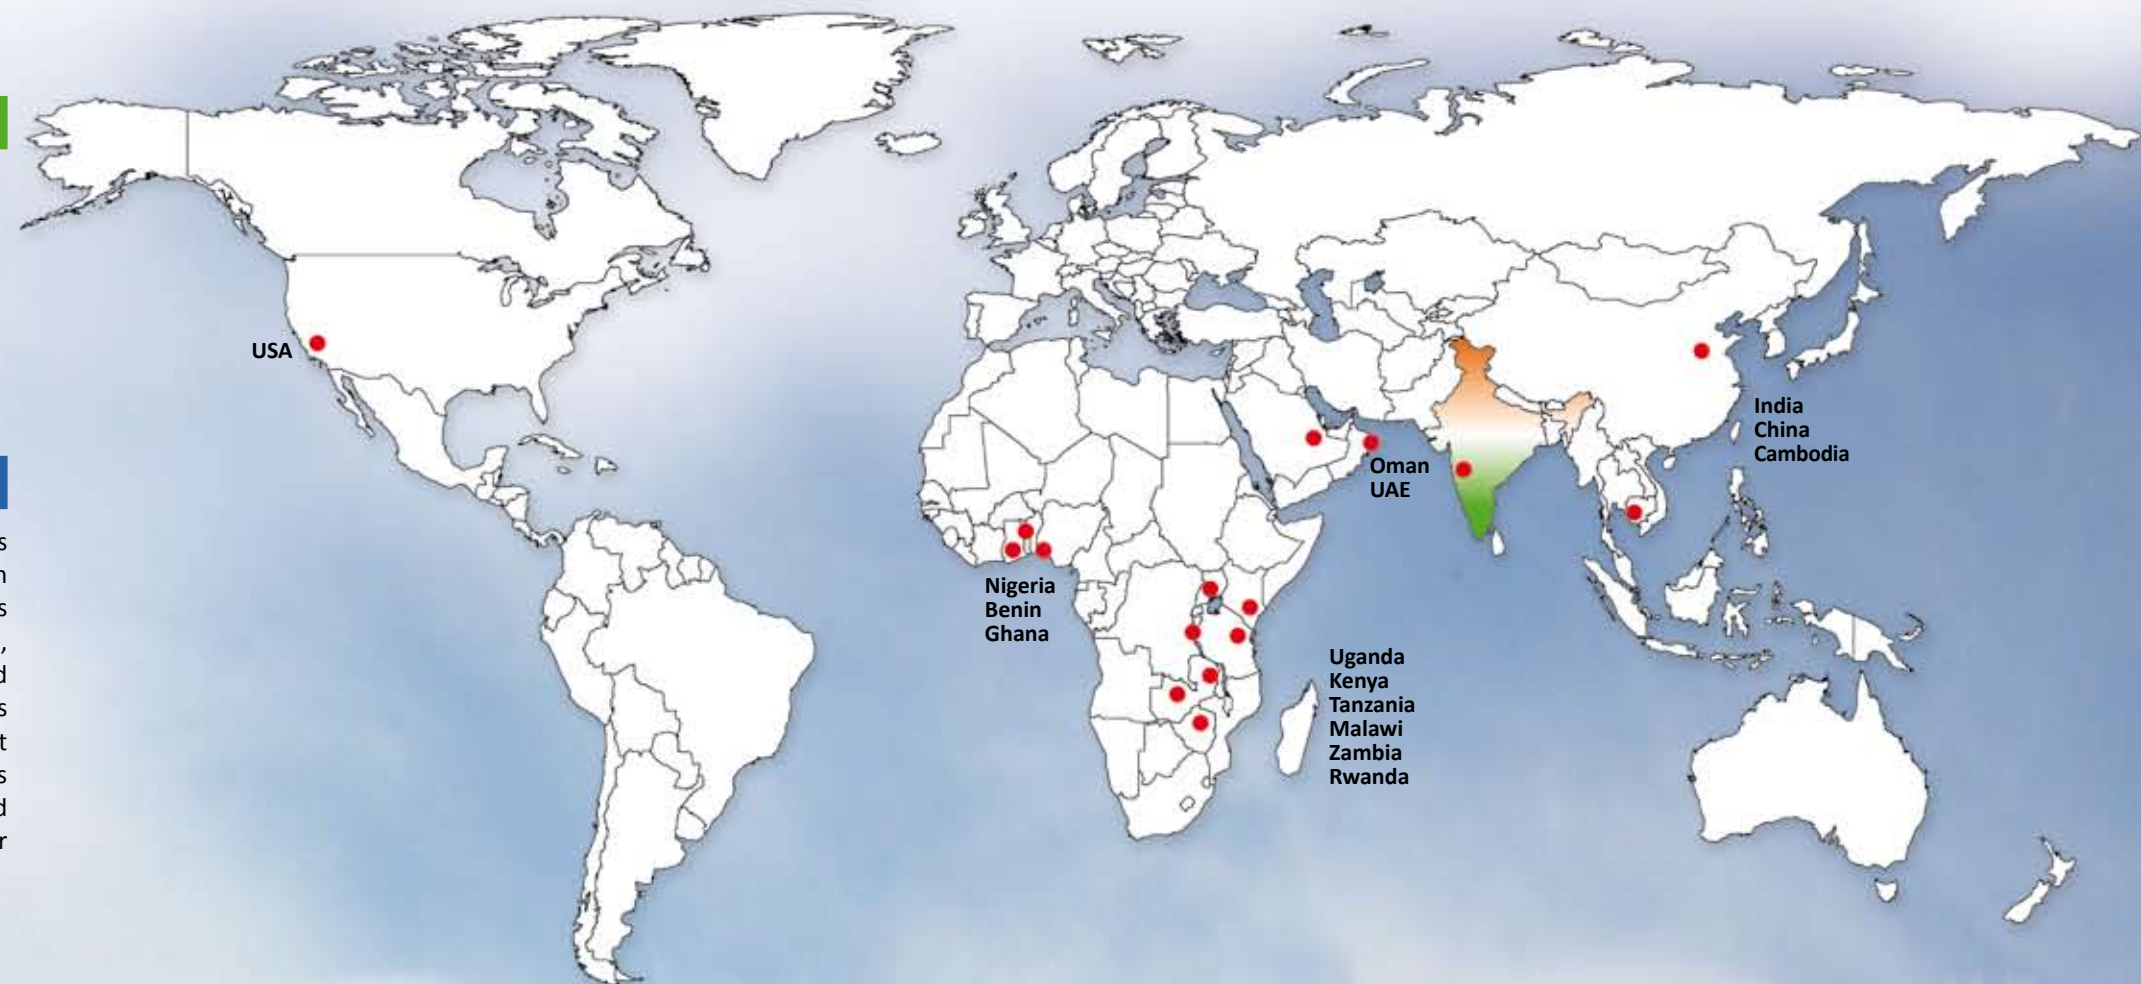

## Turnkey Solutions have been provided to the following sectors...

Power
Oil & Gas
Cement
Aluminium & Steel
Sugar
Water Treatment
Chemical
Food & Vegetables

## Worldwide Presence

With a modest beginning in 2005, the organisation today offers products & services to its worldwide customers spread across Africa, Middle East, North America, Europe and East Asia. Commitment to quality, reliable & prompt services and professional approach helped the organisation to build an impressive clientele.

## Our Customers

COMBUSTION ASSOCIATES, INC.

شركة ظفار للطاقة  
Dhofar Power Co.  
DHOFAH POWER COMPANYS

DONGOTE GROUP

KAM INDUSTRIES

MENENGAI  
MENENGAI OIL REFINERIES LTD

OLAM GROUP

Pwani  
PAWANI OILS

TOWER GROUP

KENYA'S SWEETEST  
WEST KENYA SUGAR COMPANY

## Brands Offered

Smart solutions.  
Strong relationships.

Enriching Lives

LARSEN & TOUBRO  
It's all about engineering
